

## TAP Summary

TAP Certification, a 3-day program, will educate participants on the applicable laws and regulations regarding the background check & adjudication process specific to tribal governments/enterprises. Participants will understand how to gather and review information to assess the suitability of the job candidates covered under applicable laws, regulations, and tribal codes/policies. The curriculum is targeted at legal, law enforcement, HR, and education professionals.

Certification is obtained by completing a prerequisite online module that reviews applicable laws & regulations. In-person attendance is required with attendance verified each of the three days. A 50-question exam is taken on the 3rd day of the session with a required pass rate of 65%. Certification is maintained by taking a minimum of 24 hours of NNAHRA-approved educational programs every two years. Others may attend.
