Wild Horse Pass**

ABOUT THE CONFERENCE

The 2026 Women's Summit is a special collaborative gathering presented by the Tribal Gaming Protection Network's Women in Tribal Gaming Symposium and the National Native American Human Resource Association (NNAHRA). Held May 12–13, 2026, at the Gila River Wild Horse Pass Resort, this summit brings together professionals from tribal gaming, tribal government, and human resources for two days of learning, leadership, and community building.

What began in 2017 as TGPN's Women in Tribal Gaming Symposium – created to support, develop, and elevate women across the tribal gaming industry – will join forces this year with NNAHRA's annual summit for a one-time collaborative experience. This partnership brings together TGPN's commitment to operational excellence, mentorship, and industry integrity with NNAHRA's dedication to strong HR practices, workforce development, and organizational well-being. Together, this summit expands learning, enhances connection, and strengthens the professionals who serve Indigenous Country.

Attendees can look forward to dynamic breakout sessions, engaging panel discussions, meaningful networking opportunities, and the celebration of trailblazers through the 2026 Women Warrior Award.

The 2026 Women's Summit will continue this tradition of empowerment and collaboration – bringing two respected organizations together to offer a truly impactful experience.
